

Capilene[®] CE80B, CE71E, QT80A

Polypropylene

Statement on chemical absence

Based on the information provided by our upstream suppliers of raw materials and to the best of our knowledge, we confirm that during the manufacturing of above- mentioned grades, we do NOT intentionally use the following chemical:

- Cholecalciferol (Vitamin D3, CAS no. 67-97-0)

Please note that since these products haven't been tested for this substance, we cannot guarantee that there is no trace amount of it, as impurity or otherwise, in the above-mentioned products.

Disclaimer

The information contained herein is to our knowledge accurate and reliable as of the date of publication; however, we do not assume any liability whatsoever for the accuracy and completeness of the above information. Carmel Olefins Ltd. makes no warranties, which extend beyond the description contained herein. Any information given in this statement does not constitute any warranty of merchantability or fitness for a particular use. Regulatory requirements are subject to change and may vary for different states. It is the customers' responsibility to inspect and to test our products in order to satisfy themselves as to the suitability of the products to their particular purpose. Carmel Olefins Ltd will not accept any liability with respect to the use of its products in conjunction with other materials. The information contained herein relates to our materials when not used in conjunction with any third party materials. The customer is responsible for its employees' safety and the appropriate, safe and legal use, processing, handling and disposing of our products and packaging. Carmel Olefins shall not be liable for any consequential, incidental or indirect damages resulting from this statement or its use.
