The above statement is based on our current level of knowledge and covers the PRODUCT directly manufactured and supplied by CHIMEI at the date of issue. CHIMEI makes no warranties, whether express or implied, and assumes no liability in connection with any use of above information. Notwithstanding the foregoing, CHIMEI shall in no event be held obligated or liable for any claims due to or arising from (i) any customer provided, consigned, materials and/or parts, which are incorporated or adopted in the PRODUCT; (ii) any combination of the PRODUCT with material not provided or authorized by CHIMEI; (iii) any modifications to the PRODUCT which are made or directed by customer; (iv) our compliance with the specifications, instructions, and/or designs provided by customer; (v) any anti-trust, unfair competition and/or other unlawful actions effected by customer; or (vi) any defects, infringement, breach and/or violation which are arising out of customer's faults or otherwise not solely and directly attributable to CHIMEI. In no event will CHIMEI be liable for any indirect, special, exemplary, punitive, or consequential damages (including lost profits) of any nature whatsoever whether arising out of the purchase, shipment, unloading, handling, or use of any product or otherwise. In no event will CHIMEI be liable for any damages (including lost profits) of any nature whatsoever whether arising out of customer's violation of Proposition 65.

California Proposition 65, officially known as the Safe Drinking Water and Toxic Enforcement Act of 1986, became law in November 1986. California Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that are known to cause cancer, birth defects or other reproductive harm.

CHIMEI does not typically manufacture or market consumer products. The PRODUCT that CHIMEI manufactures may be incorporated directly or indirectly into various consumer products, but CHIMEI does not control or have knowledge of the specific application of CHIMEI's PRODUCT by customers. **Therefore, CHIMEI cannot make any guarantee regarding the actual exposure levels to California Proposition 65.**

However, CHIMEI would like to inform customers that the PRODUCT listed below contain certain chemicals known to cause cancer, birth defects, or reproductive harm according to California Proposition 65 (published on December 29, 2023). CHIMEI recommends customers review the California Proposition 65 regulation to determine the appropriate method and requirements for compliance. The decision to include or not include a California Proposition 65 warning notice (label) must ultimately rest with the customer utilizing CHIMEI's PRODUCT. Additional information concerning California Proposition 65 can be found at www.p65Warnings.ca.gov.

Customers are also advised against using FR-ABS for food contact application.
