These statements are provided by or on behalf of the above referenced ExxonMobil selling affiliate.

If you have any questions or need additional information please contact your ExxonMobil sales representative.

Enclosure(s):

EXXONMOBIL LL6101XR - COSMETICS / INCI

Reference Number: 0329418

STATEMENT

Issue Date: 15 NOV 2019
At request of: PLASTRIBUTION LTD
Product Name(s): EXXONMOBIL LL6101XR
Material Code(s): 5073436

With regard to the compliance status of the ExxonMobil Chemical product referenced above with the regulation(s) identified below the following can be declared:

Regulation (EC) No 1223/2009 of the European Parliament and of the Council of 30 November 2009 on cosmetic products, applies to cosmetics products and their ingredients as defined by the Article 1 of this regulation (*).

The above polymer grade is not intended to be used as ingredient of cosmetics or as cosmetic product.

However, following information can be provided:

* This polymer grade is not classified as CMR substance, of category 1A, 1B or 2 under Part 3 of Annex VI to Regulation (EC) No 1272/2008.

* No animal testing has been conducted on this polymer grade after March 11, 2009, as per of Regulation (EC) No. 1223/2009.

* Substances

- listed in Annex II of Regulation 1223/2009 (List of substances prohibited in cosmetic products);

- defined as nanomaterial in Regulation (EC) 1223/2009

are not intentionally used by ExxonMobil in this polymer grade.

Although this product is not routinely tested for their presence, based on product composition knowledge, these substances are not expected to be present. However, the fact that these substances are not intentionally used by ExxonMobil in this product does not exclude that trace levels of these substances may be present as a result of the specific characteristics of the raw materials and/or of the manufacturing process.

(*) A 'cosmetic product' means any substance or mixture intended to be placed in contact with the external parts of the human body (epidermis, hair system, nails, lips and external genital organs) or with the teeth and the mucous membranes of the oral cavity with a view exclusively or mainly to cleaning them, perfuming them, changing their appearance, protecting them, keeping them in good condition or correcting body odours.

VALIDITY DATE: This document is valid until the next relevant legislative and/or regulatory change with a maximum of one year as of the date of issue of the statement.
