STATEMENT

Issue Date: 30 MAY 2019
At request of: PLASTRIBUTION LTD
Product Name(s): Santoprene 8211-65
Material Code(s): 5212687

With regard to the compliance status of the ExxonMobil Chemical product referenced above with the regulation(s) identified below the following can be declared:

Directive 2009/48/EC of 18 June 2009 on the safety of toys, as amended up to Commission directive (EU) 2018/725 of 16 May 2018, includes safety requirements the toys need to comply with in order to be placed on the market.

As for compliance of the above product with the requirements set out in Annex II "Particular Safety requirements" - Paragraph III - of the Directive, the following can be declared:

The supplier(s) of the ingredients used to manufacture this product did not issue a compliance statement with respect to Directive 2009/48/EC and no specific testing was carried out by ExxonMobil Chemical to demonstrate compliance with the regulatory requirements. It is thus the sole responsibility of the user of this product to check and assure that the finished toys, made from or containing this product as a component, comply with the Safety of Toys Directive 2009/48/EC requirements and do not present health hazards or risks of physical injury by ingestion, inhalation or contact with the skin, mucous tissues or eyes.

VALIDITY DATE: This document is valid until the next relevant legislative and/or regulatory change with a maximum of one year as of the date of issue of the statement.
