Content Statement

PVB21

California Proposition List 65 (May 25th 2018 – Chemicals Known to the State to Cause Cancer or Reproductive Toxicity) – The above mentioned masterbatch is based on a carbon black pigment which is listed. The carbon black is fully encapsulated and is NOT airborne or unbound. No other substances listed are present with the exception of trace levels of heavy metals (ref std Hubron cert) and PAHs (ref std Hubron statement).

For Hubron
