**CONFIRMATION OF REACH & SVHC COMPLIANCE**

---

**Product Reference: MODIC**

**Product Name: F593E, H711E, M113E, M512E, M524E, M603E, M704E, M804E, M814E, P514E, P522E, P553E, P715E, A504E, Z200FE**

MCPP Germany GmbH (MCPPG) is well aware of the EC regulation 1907/2006 (REACH) and its requirements and timetables. We are fully committed to meet our obligations under REACH and thus safeguard the continuation of supply of our products. REACH is a pre-condition for MCPPG to do business in Europe.

MCPPG is a producer of polymers and polymer mixtures (compounds) and thus acts mainly as a Downstream User (DU) for most of the ingredients.

For MODIC grades mentioned above, all ingredients have been registered according to REACH tonnage bond requirements, in case they are not exempted or excluded from REACH regulation.

We also confirm that MODIC grades mentioned above do not contain any substance which at the current time is on the candidate list (update 27th June 2018) from the European Chemicals Agency (ECHA) for inclusion in Annex XIV as a substance of very high concern (SVHC) in concentration of 0.1 wt% or more.

Hoping to have been of service to you!

Sincerely yours,

**Regulatory Affairs Manager Europe**

Name: Marion IVES
