Declaration of Compliance: 1907/2006/EC

Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

REACH is the Regulation (EC) No 1907/2006 of the European Union and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals. It came into force on 1 June 2007.

Plascolour Ltd is a downstream user as defined by the requirements of the European Union (EU) Regulation – Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH). Plascolour will purchase raw materials from upstream suppliers that follow with the final REACH registration. Finished products are defined as preparations or mixtures that will not require registration under Article 7.1 of REACH.

Plascolour Ltd is in constant communication with its supplier base and can confirm that all suppliers are REACH compliant.

No raw materials, products supplied or manufactured onsite at Basingstoke contain any of the substances identified on the SVHC list including the 4 new substances added on 17th January 2022.
