

Company: Polyram Plastic Industries LTD
Company Address: Ram On 19205 Israel

SUBJECT: Declaration PLUSTEK PB300G6BK23

Polyram is to confirm that during the manufacturing of the above product, there is no use or intentional incorporation of substances which defined as "conflict minerals": Columbite- tantalite (coltan), cassiterite, gold, wolframite, tantalum, tin and tungsten.

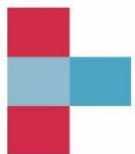

Disclaimer:

Although this product is not routinely tested for their presence of the different substances and elements, based on product composition knowledge these substances are not expected to be present. However, the fact that these substances are not intentionally used by Polyram in this product does not exclude that trace levels of these substances may be present as a result of the specific characteristics of the raw materials and/or of the manufacturing process.

Sincerely yours,

**Reut Navon
R&D Department
Polyram Plastic Industries LTD**

Important: This information relates only to the above mentioned materials as delivered in their original packaging. It does not relate to any product made of these materials with or without the inclusion of further additives, such as processing aids or colorants. To the extent that any hazards may have been mentioned in this publication, we neither suggest no guarantee that such hazards are the only ones that exist. This information should not be construed as a promise or guarantee of specific properties of the products described or their suitability for a particular application. Any existing intellectual property rights must be observed
