

## Food Contact Declaration RAMOFIN PPH300G6NT

The mentioned product is formulated and manufactured to meet the relevant requirements listed below:

### EU:

Regulation № 10/2011/EC on plastic materials and articles intended to come into contact with food and its amendments and/or corrections (up to Commission Regulation (EU) 2020/1245) having regard to Commission Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food.

We add only substances which are listed in union list of authorized monomers, other starting substances, additives, and polymer production aids of Directive 10/2011/EC ANNEX I.

### Disclaimer:

Although this product is not tested for Regulation EU 10/2011(1245/2020), the declaration base on our product composition knowledge and our suppliers declarations.

The information given herein expires a year from date of issue or the next update.

It is the responsibility of the manufacturer to check and confirm that the final article meets both the technical and regulatory requirements of the application.

Sincerely yours,

**Darine Eghbarya**
