**Declaration of Compliance
for Low Density Polyethylene (LDPE) Grade
LDPE 15303-003**

Dear Customer,

By this Declaration we confirm that the following grade of low density polyethylene:

LDPE 15303-003

may be used in the manufacture of articles that hold food (i.e., use under FDA Conditions of Use A through H¹), including articles intended for packaging or holding food during cooking by means of ultra-heat treatment, in full compliance with the Federal Food, Drug, and Cosmetic Act and all applicable food additive regulations.

In particular, the mentioned polyethylene grade meets specifications as per the tests results set forth in Section CFR 21 §177.1520 (“Olefin polymers”) (c) of the U.S. Food and Drug Administration (FDA) regulation.

Chief Engineer

V.V. Maksimov
