

شركة سيدى كيرير للبترولوكيماويات Sidi Kerir Petrochemicals Co.

Declaration of Compliance Egyptene Grades

August 2024

Dear valued customer,

This is a declaration of compliance from SIDPEC for the above products regarding the following topic:

Heavy Metals

Regarding to the Europe parliament and Council Directive 94/62/EC of 20 December 1994 on packing and packing waste ("Packing and Packing Waste Directive"), and changes EG 2004/12 and EG 2005/20

SIDPEC confirms that the sum of concentrations of the following heavy metals:

Mercury, Lead, Cadmium and hexavalent chromium, in the above product does not exceed 100 parts per million by weight.

Trace levels of these substance may be present as a result of the specific characteristics of the raw materials and/or of the manufacturing processes.

This declaration is limited to the above products only and doesn't refer to suitability of other additional substances that may be used with the products to manufacturer finished materials and articles.

VALIDITY DATE:

This document is valid for maximum of one year as of the date of issue of the statement.

With best regards,

Chemist / Ehab Abu Elenien
