Statement of Compliance.

Subject: **Compliance with the Stockholm convention on Persistent Organic Pollutants (POPs) / Regulation (EU) 2019/2021**

UV328

Dear valued customer,

From verification conducted in our product database and all substances incorporated in our products, I can confirm that the product F420B00 is not formulated with UV328 (**2-(2H-benzotriazol-2-yl)-4,6-di-tert-pentylphenol**).

This substance is not part of the formulation in our product therefore we do not specifically test our materials for its presence.
