Conflict Minerals Statement

(Dodd-Frank Wall Street Reform and Consumer Protection Act in 2010: Section 1502)

Dear Valued Customer;

Conflict minerals are described as Gold (Au), Tantalum (Ta), Tungsten (W) and Tin (Sn) that are sourced from the Democratic Republic of Congo or adjoining countries from mines controlled by non-governmental military groups.

We hereby confirm that, there is no indication that any products manufactured by TİSAN ENGINEERING PLASTICS Ltd. Co. contain conflict minerals.
