

To Whom It May Concern;

As Tisan Engineering Plastics, We hereby confirm that we do not use polyfluoroalkyl substances (PFAS) in M02000040 product.

This Declaration is based upon information provided to us by our suppliers of raw materials and/or components used in the manufacture of our products. Tisan Engineering Plastics is not considered a manufacturer of finished consumer goods. It is the responsibility of the manufacturer, distributor, supplier, producer, packager or importer of the finished consumer product to determine consumer safety and ensure compliance with all international, federal, state and local regulations of PFAS substances.
