CERTIFICATE N° 38602

Feluy, July 16, 2019

POLYSTYRENE CRYSTAL 1160 grade as produced in Europe**STATEMENT OF COMPLIANCE WITH FOOD CONTACT REGULATIONS:**

In Switzerland : Ordonnance du DFI (Département Fédéral de l'Intérieur) sur les objets et matériaux –

SR 817.023.21 – dated on 16th December 2016 (Etat le 1^{er} Mai 2017). We confirm that monomers and starting substances as well as additives and processing aids are listed in Annex 2 of SR 817.023.21.

SR 817.022.31 (OAdd) – dated on 23th November 2013 (Etat le 1^{er} Mai 2017). This Product does not contain any intentionally added substances listed in group I of SR 817.022.31

Restrictions and/or migration limits:

This Product contains one or more intentionally added substances (or their degradation /decomposition products) that are listed with a specific migration limit and/or restrictions defined in Ordinance SR 817.023.21.

Experimental tests and/or theoretical calculations for migration (tests are recognized by the Switzerland DFI) carried out on the above mentioned Product (or a specimen representative of this material) covering long term storage at room temperature or below, including heating up to 70 °C for up to 2 hours, or heating up to 100°C for up to 15 minutes with all types of food (Single use, polymer used at 100% and thickness 250 µm) have shown that the overall- and, if relevant, the specific migration limit was not exceeded with all food types

For other specific conditions of use, not covered above, it pertains to downstream users to check by appropriate overall and/or specific migration tests on the final material or article the suitability for contact with different food-types and various end-use conditions. However these are beyond the control of TOTAL RESEARCH & TECHNOLOGY FELUY and are part of the responsibility of the user of the above-mentioned Product.

We shall supply the TOTAL REFINING & CHEMICALS proprietary information needed to perform the migration measurements/analyses upon request.

CERTIFICATE N° 38602

Feluy, July 16, 2019

POLYSTYRENE CRYSTAL 1160 grade as produced in Europe

DISCLAIMER:

Our certificate is only valid for as far as above mentioned Product was bought from Total or its distributor and does not cover:

- Any modification of the above-mentioned Product by any addition of any other product or ingredient to it;
- Any prejudicial modification of the above-mentioned Product resulting from a processing of it;
- An inadequate use and/or storage of the above-mentioned Product and/or of the finished articles.

Unless specifically indicated in a regulatory certificate of compliance, the products mentioned herein are not suitable for applications in the pharmaceutical or medical sector. Under no circumstances are any products sold by Total Refining & Chemicals suitable for humans or animals use in the following applications: (i) Implantable devices intended for human or animal body (ii) devices intended to be used in contact with internal body fluids (iii) Devices intended to be used in contact with internal body tissues.

Information contained in this publication is true and accurate at the time of publication and to the best of our knowledge. The nominal values stated herein are obtained using laboratory test specimens. Before using one of the products mentioned herein, customers and other users should take all care in determining the suitability of such product for the intended use.

The Companies within Total Refining & Chemicals do not accept any liability whatsoever arising from the use of this information or the use, application, or processing of any product described herein. No information contained in this publication can be considered as a suggestion to infringe patents. The Companies disclaim any liability that may be claimed for infringement or alleged infringement of patents.

The present certificate is valid for a period of eighteen months starting from the date first above written and replaces any earlier certificate relating on this subject which should be considered as null and void. Upon the expiration of this certificate, we can issue a new one at your request. In case of change during this period a new certificate will be issued automatically; kindly forward it to any recipient of the present certificate.
