Feluy, 29/01/2020

Dear Sir,

Concern: POLYPROPYLENE PPH 9020

Absence of substance(s)

This statement is in response to your request for information as to whether the above-mentioned product(s) ("The Product") contain(s) nanomaterials (using nanotechnologies) ("The Substance").

We can hereby confirm that we do not use "The Substance" mentioned as additive as defined in Article 3 and that would justify a listing in Annex I of the Commission Regulation (EU) No 10/2011.

However, since we do not perform specific tests to verify the potential presence of "The Substance" in "The Product", we cannot guarantee that there is no trace amount of some of "The Substance", as impurity or otherwise, in "The Product".

For other points of your request, please refer to our Product Stewardship Certificate.

Our certificate does not cover :

- any modification of The Product by any addition of any other product to it,
- any prejudicial modification of The Product resulting from a processing of The Product,
- an inadequate use and/or storage of The Product and of the finished articles.

The present certificate is valid for a period of one year starting from the date first above written. It can then be renewed upon request.

We are at your disposal for any further information you may need and remain,

Yours faithfully
Total Research & Technology Feluy
