

February 10, 2026

To whom it may concern,

Declaration of substance non-use

1. Survey target products

Following products and Packaging materials of the products

Polycarbonate resin	Iupilon™
Polycarbonate resin	NOVAREX™

2. Survey target substances

241 substances included in the Candidate List of substances of very high concern (SVHCs) on February 4, 2026 (published in accordance with Article 59 (10) of the REACH Regulation); generally called 35th SVHCs

3. Survey results

The following SVHCs are intentionally added to some varieties of the subject products . (Please inquire individually for applicable varieties). Other SVHCs may be present as impurities, but their content is 0.1% or less by weight.

- Perfluorobutanesulfonic acid (PFBS) and/or its salt(s)
- 2-(2H-Benzotriazol-2-yl)-4-(1,1,3,3-tetramethylbutyl)phenol (UV-329)
- 2-(2'-Hydroxy-3'-tert-butyl-5'-methylphenyl)-5-chlorobenzotriazole (UV-326)

Note: Applicable products containing more than 0.1% by weight of SVHC are subject to the information to be provided to customers under REACH. Regardless of the total amount, for products containing more than 0.1% by weight of SVHCs and for articles made from such products, the company is obliged to communicate safe use information to its customers. If the content of SVHC in the relevant product or articles made from the relevant product exceeds 0.1% by weight and the total annual amount of SVHC per importer is 1 t or more, notification to ECHA (European Chemicals Agency) is required.

This document was issued based on currently available information, and there is no guarantee regarding the future validity of the stated items.
